TORONTO'S PREMIER MOSAD OF CHINUCH

Rabbi Steier
Rebbi of
כהנב

In this week's פרשה we find the treasure of one of the most famous רמב"ן's.

At the end of the פרשה, the תפילין of מצוה introduces the הקדושה. It's not possible within this format to properly give over the רמב"ן regarding תפילין and all it's לימודים and immense lessons.

One נקודה to share - and this one נקודה captures our essence - The רמב"ן says "וכנות" - "המצות שנאמין באלוקינו ונודה אליו שהוא בראנו".

The intention is for us to thank ה' and acknowledge "We are his creations"!

One more precious line (amongst all the beautiful ones!)

"ואין לעליון בתחתונים חפץ מלבד זה שידע באדם יודעה...שבראיו"

There is no desire by ה' other than, we should acknowledge and profess - ה' you are the בורא.

הייליגע רמב"ן ז"ל that we were given this empowering mandate from the טוב חלקינו.

Our day starts off with a "Blast of אמונה"! Then we move on to גמרא which the boys are really working hard to finish our first משנה in תורה של בעל פה. An incredible milestone this week was when we reached our second goal of 1000 "Masmid Minutes"!! Which the boys collectively learn during spare time all throughout the day. Our day finishes off with spellbound stories from R' Kalman Krohn ZT"L when not even a pin drop is heard.
