| Shirts                | Required to have a collar<br>(Polo shirts are acceptable)                                                                                                                                                                                                                                                                                                                                                  |        |        |        |        |        |                                                                                                                     | From when they start wearing תפילין, are expected to wear a white shirt – <u>without any colour (including on the collar, button hole stitching, or sleeves, etc...)</u> |        |
|                       | T-shirts, shirts with pictures, messages, numbers or over-sized logos are not permitted in <i>any</i> כתה.                                                                                                                                                                                                                                                                                                 |        |        |        |        |        |                                                                                                                     |                                                                                                                                                                          |        |
|                       | On ראש חודש all תלמידים are asked to wear white shirts in order to show proper כבוד for the day.                                                                                                                                                                                                                                                                                                           |        |        |        |        |        |                                                                                                                     |                                                                                                                                                                          |        |
| Pants/ Shorts         | Pants should be dark coloured, <b>loose fitting and not straight or tight</b> . This <u>excludes</u> jogging pants, cargo pants, <b>soft cotton pants, pants that are not 'open' at the bottom</b> , jeans <u>(even if they are black)</u> , <b>sports pants (zippers on the side)</b> , or sports uniforms. <b>Any pants with a 'draw-string' are not permitted</b> (pants should have belt loops).       |        |        |        |        |        |                                                                                                                     |                                                                                                                                                                          |        |
| Yarmulkes             | <i>Yarmulkes</i> should be of a dark color (black, blue) large enough to cover the slope of the head and not merely be sitting on top. Only Hebrew letters or words, or pictures of a <i>Yiddishe</i> nature may be on the <i>Yarmulke</i> . No bobby pins may be worn, except during recess time or gym.<br>(Baseball caps – not bearing any sport team logos - may be worn outside only, or in the gym.) |        |        |        |        |        |                                                                                                                     |                                                                                                                                                                          |        |
| Shoes                 | Leather shoes or sneakers should be a <b><u>dark colour</u></b> .                                                                                                                                                                                                                                                                                                                                          |        |        |        |        |        | Shoes must be <b>all black</b> , without any traces of white or any other colour, including the bottom of the shoe. |                                                                                                                                                                          |        |
|                       | <b>High top sneakers, crocs, slides, natives, floafers, heelies, shoes that light up and the like may not be worn.</b>                                                                                                                                                                                                                                                                                     |        |        |        |        |        |                                                                                                                     |                                                                                                                                                                          |        |
| Socks                 | Ankle socks are not permitted.                                                                                                                                                                                                                                                                                                                                                                             |        |        |        |        |        |                                                                                                                     |                                                                                                                                                                          |        |
| Haircuts              | Haircuts should be befitting of a בן תורה. Haircuts that are 'in-style', such as "fades", bushy 'tchups' - may not be taken.                                                                                                                                                                                                                                                                               |        |        |        |        |        |                                                                                                                     |                                                                                                                                                                          |        |
| Sweaters/ Sweatshirts | Sweaters or sweatshirts of a dark colour that have <b>no writing, logos or pictures</b> at all, may be worn. 'Cheder Sweatshirts' can be ordered through the Cheder office or website.                                                                                                                                                                                                                     |        |        |        |        |        |                                                                                                                     |                                                                                                                                                                          |        |
